This Book is brought to you for free and open access by the Arts and Sciences at ISU ReD: Research and eData. It has been accepted for inclusion in WGLT Program Guides by an authorized administrator of ISU ReD: Research and eData. For more information, please contact ISUReD@ilstu.edu.

If you wish to continue receiving this quarterly program guide, please call 436-8344 or write a postcard or letter to the station. We are preparing a new mailing list and would like to have your name on it.

WGLT will be moving into all new studios in a few months. At that time WGLT will also increase power and begin broadcasting in stereo. Increased power will not only mean a stronger signal for our present listeners in Normal-Bloomington, but also it will mean considerably expanded coverage, including all of McLean and DeWitt counties plus portions of surrounding counties.

Thanks to

for providing a grant to purchase the second quarter of programs in the Sherlock Holmes series.
